

Linescapes floor light

Nemo Studio,

Description

Linescapes floor light by [Nemo Studio](#) for [Nemo Lighting](#)

Linescapes is a range of innovative floor, ceiling and wall lights by Nemo Studio. Designed with efficiency and versatility in mind, the strip light emits a diffused light via linear LED, maximising available light intensity whilst minimising power consumption. Side emission and a rotating body allow for light to be directed according to need.

An extruded aluminium body houses the integrated LED strip and opal white polycarbonate diffuser. Available in white or grey, both with grey painted elements. Dimmer on cable.
