

# Alba 468 pendant

, 2017

## Description

**Alba 468 pendant light** by **Mariana Pellegrino Soto** for [Oluce](#).

The Alba range is inspired by nature. A single droplet of water provides the inspiration behind Alba's smooth, blown glass diffuser. This contrasts neatly with the square outline of satin brass to create a modern but classic light.

The Alba 468 pendant light features a solid, square-section stem in satin brass finish, suspended by a cable. Two offset arms hold a pair of downward-facing opal glass diffusers.
