

Galileo mirror

Mario Ferrarini, 2016

Description

Galileo mirror by [Mario Ferrarini](#) for [Living Divani](#).

The round Galileo wall mirror is an elegant study in geometry and movement.

The mirror is suspended from a thin stainless steel wire that goes through the mirror frame and is fitted with a stop element at the end. All metal parts (except the stainless steel cable) is available in the painted colours black patinated or auburn patinated, or in a dark bronze finish.

Available in two sizes.

Dimensions:
