The Kavalier lamp has an ingenious design with a single metal stem supporting the light source and creating the lamp's base. This metal element is cleverly angled to allow the light to perch on a table, ledge or even a chair arm. Minimal, elegant and striking.

All Rubn lights are manufactured by hand in Sweden, with great attention to detail, functionality and aesthetics. The designs adapt to today's technology, style and needs, but are solidly rooted in an appreciation of the past.

Available in brass.
