

# Djembé pendant light

Joan Gaspar , 2017

## Description

**Djembé pendant light** by [Joan Gaspar](#) for [Marset](#).

The Djembé pendant light is a bell-shaped light which features graceful curves. The textured outer shell gives the appearance of great weight, despite its physical lightness. Available in a range of sizes and colours, the ceiling light can be used individually or combined to create a dynamic light piece.

Shade made of bi-injected, rotary moulded polyethylene, with a stone textured outer and smooth satin white interior. Diffuser made of lacquered grey aluminium.

Available in white, grey, red, and sky blue.

The Djembé pendant light is dimmable. Includes ceiling rose.
