

# 124° Mirror

Daniel Rybakken, 2004

## Description

**124° Mirror** designed by **Daniel Rybakken** for [Artek](#).

The 124° mirrors is a range of mirrors featuring two slim polished faces which meet at a 124-degree angle. Functional and playful, the mirrors reveal a new perspective, reflecting the surrounding environment.

This modern and sculptural mirror can be fixed to a wall or freestanding on a horizontal surface.

Available in three sizes, small, medium and large.

The medium-sized mirror comes with an integrated small wooden tray in ash. Wooden tray available in natural ash or black ash.

Made of polished stainless steel and anodized aluminium extrusion.

Medium with natural tray and large available with quick delivery.
