

Smoke armchair

Maarten Baas, 2002

Description

Smoke armchair by [Maarten Baas](#) for [Moooi](#).

Dramatic armchair part of the Smoke collection. The Smoke family also includes a dining chair, a dining armchair and a chandelier. The wooden frame of these pieces is charred before being coated with epoxy.

The beauty and character of burned wood provides a rather sensational look to these very unique pieces of furniture.

Given the manufacturing process, each armchair is unique.
