

# Arabesque ltd edition print

Pierre Charpin, 2018

Arabesque 01

## Description

Arabesque limited edition print by [Pierre Charpin](#) for [The Wrong Shop](#).

Pierre Charpin's new prints are produced in editions of 35, with each print numbered, stamped and embossed.

Like Charpin's [Four Monkeys](#) and [Kamo](#) series of prints from 2016 and 2017 respectively, this series of undulating images is inspired by the designer's sojourn in Kyoto. Using coloured inks and a soft brush, the ribbons are awash with character, gracefully dominating the space without beginning or end.

Entitled Arabesque 01, Arabesque 02, and Arabesque 03, please see product images for examples of each edition.

Framed by The Wrong Shop in bespoke frames made of European oak with an elegant square profile and a matt lacquer finish.

Dimensions:  
52w x 3.5d x 72cmh (framed)
