

A1965 pendant

Paavo Tynell, 1947

Description

A1965 pendant by [Paavo Tynell](#) for [Gubi](#).

First launched in 1947 at the Finland House in New York, an ambitious project for showcasing Finnish design in America, the A1965 pendant was an instant success for Paavo Tynell and is a great example of mid-century design.

The A1965 pendant features a delicately perforated shade, combined with a unique lift mechanism that makes the light height adjustable by pulling or pushing the shade or counterweight.

Available with a black, white or brass shade. Frosted glass diffuser to soften the light. Brass coloured cord that is 3.8m in length.
