

# Cyclinder jar

## Description

### Cylinser jar by Weck.

The Weck company has been successfully providing canning equipment in Europe since 1900. Home canning has become a very popular and healthy way to preserve foods, especially when produce is home-grown, given to you, or available at a farm market in your area. Weck canning systems provide an economical as well as rewarding experience. Features include;

- Wide, easy to fill jars
- Glass lids that will not rust
- Seal that are easy to check at a glance
- Easy open jars - no can opener needed
- The jars are easy to stack for convenient, space saving storage
- Glass is microwave safe

Dimensions  
6dia x 21cmh, 600ml capacity.
