This item is a one-off clearance item to be sold on a first order, first served basis.

Made of untreated cedar, this decorative sculpture depicts a woodpecker hiding within a tree trunk. The stylistic decorative object is designed by Lanzavecchia + Wai working in collaboration with Woodyzody, who employ skilled Italian craftsmen to turn and work their wooden menagerie.

Each animal within the collection is crafted in a wood indigenous to their native continent, from Europe to Oceania through North and South America, providing a different sensory experience for each, adding to their charm.

Handmade in Italy.
