

C-chair, cane/upholstered

Marcel Gascoïn, 1947

Description

C-Chair cane/upholstered dining chair by [Marcel Gascoïn](#) for [Gubi](#).

The elegant C-Chair designed in 1947 is one of Gascoïn's most well-known pieces. The chair was originally designed to fit into the new sizes of homes built in the post-war years in France. Here Gascoïn created a simple, functional piece of furniture to make up for the lack of space in these new homes.

The C-Chair has an inviting seat, upholstered in a range of fabrics, a French cane seat, and sturdy wooden legs, available in the finishes oiled oak, black stained oak, brown/black stained oak or oiled American walnut. The C-Chair combines quality materials with great wooden craftsmanship.

Other versions are available with [cane seat and back](#) or [fully upholstered](#).
