Description

Women Design: Pioneers in architecture, industrial, graphic and digital design from the twentieth century to the present day by Libby Sellers

As a design historian, curator, consultant, and writer, Libby Sellers draws on a lifetime of experience in the design world to present this groundbreaking celebration of women in design. Ranging from architecture and industrial design to digital design and graphics, and incorporating designers and their work from the twentieth century to the present day, *Women Design* profiles 21 eminent female designers and the way they changed the world around us.

With a wealth of photographs, and an entertaining mixture of contextual information and first hand accounts, *Women Design* is a must-have book for any enthusiast of contemporary design.

176 pages.
