

Bellhop lamp

Barber & Osgerby, 2014

Description

Bellhop rechargeable lamp by [Barber & Osgerby](#) for [Flos](#).

Described by designers Barber & Osgerby as 'a modern day candle', the Bellhop table lamp is a portable, rechargeable light for use in the home or garden.

Made of lightweight injection-moulded polycarbonate, the Bellhop features a highly efficient 84 LED light source that casts a gentle pool of light. The push-button on the base doubles as a four-step dimmer for variable intensity. A battery status indicator is located beneath the base,

The battery is built-in, and it has a USB port for recharging. Removable USB-C charging cable included.

Available in four colours: White, Cioko, Grey, and Brick red.
