

Palais Royal dining table

Anya Sebton & Eva Lilja Lowenheim, 2012

Description

Palais Royal dining table by [Anya Sebton & Eva Lilja Lowenheim](#) for [Asplund](#).

The Palais Royal combines the elegance of a wood veneer or laminate circular top with a wood relief base to create an unmistakably Scandinavian dining table.

This round table features a top of stained oak veneered birch plywood or coloured laminated birch plywood. The weighted base features vertically aligned stained oak panels.

Veneered birch plywood top available in white stained oak, teak stained oak, or dark grey stained oak. Nano laminated birch plywood top available in white, beige, grey, or light oak finishes.

Veneered top finished with a polyurethane protective lacquer. For laminate options, the underside of the table top is colour-matched to the base.
