

STIL chair

Patrick Norguet, 2009

Description

STIL chair designed by Patrick Norguet.

Extremely light and produced in coloured metal, STIL are chairs and stools that are unashamedly chair and stool like. The use of a single material - metal - and the range of bright, lively colours mean unlimited combinations and arrangements can be achieved. Designed for indoor use only.

Stackable chair and stool in two heights entirely in powder coated metal or with thermoformed fabric seat pad colour anthracite. Glides in polythene.

Please note that a minimum order of 2 chairs applies.
