Description

Cherry pendant light by Daniel - Emma for [Petite Friture](#)

Australian designers, Daniel - Emma have created a sleek and minimalist pendant lamp. The Cherry lamp features an aluminium cone with a sphere located at the bottom. The pendant lamp features an opal plexiglass diffuser that emits a soft light reflected off the cherry sphere.

"The cherry on the bottom pendant light references novelty erasers which we both collected as children, most notably the sundae cup with a cherry on the top." Daniel - Emma
