

Familia ornament

Studio Arhoj, 2016

Description

Familia decorative object by [Studio Arhoj](#).

Inspired by the Japanese Shinto belief that everything in nature has a soul - from a plant to a pebble on the beach - Louise Gaarmann & Anders Arhoj have designed these ceramic figures to animate your home.

Relative of the [Ghost](#) family, Familia can be used as paperweights, door stops, toys, ring holders or simply as decorative objects.

Each figurine is unique, hand thrown in earthenware, hand glazed, hand decorated and low-fired in the kiln three times.

Please note that the design and manufacturing process means that each Familia has its own unique colour and pattern, supplied at random; enjoy surprising or being surprised..
