

Rebar rectangle table

Sylvain Willenz, 2018

Description

Rebar rectangle table by [Sylvain Willenz](#) for [HAY](#).

Designed by Sylvain Willenz, the Rebar table is a range of coffee and side tables that uses construction grade steel for the frame base matched with a black marble top or removable black tray top. The juxtaposition of materials strikes the balance between modern and industrial design. Adapt to a range of spaces, the marble side table is suited for private, commercial and public spaces.

The rectangular coffee table is available with a black marble top or black marble top with a removable black tray shelf.

Made of Anchor rebar steel, marble or powder coated steel.
