

Vilda 5

Jonas Bohlin, 2012

Description

Vilda 5 chair by [Jonas Bohlin](#) for [Gemla](#)

The Vilda collection comprises four designs, each a modern interpretation of the classic café chair designed by Jonas Bohlin and handmade by Gemla in Sweden, using traditional bentwood techniques.

Vilda 5 is made of solid beech or ash, the backrest is woven in vegetable tanned tooling leather and the wooden seat is softly padded and covered in matching upholstery leather. The bentwood design makes the Vilda chair light yet sturdy, crafted to last.

Available in the following wood and leather combinations:

White oiled ash/natural leather, White oiled ash/cognac leather, Dark brown stain beech/dark brown leather, Black lacquer beech/black leather, Ardbeg green beech/green leather or English red beech/red-brown leather.
