Description

OCT Coffee brewer jug set by [Kinto](#).

Taking inspiration from an octagon, the OCT coffee brewer has a minimal, clean form and silhouette. The reinforced rims allow the brewer to be held easily without the need for a handle while the elegant curve makes placing and removing the filter papers simple.

The brewer is perfect for slow-brewing two cups of coffee and sits on top of an elegant glass jug.

Made from porcelain, the brewer is microwave and dishwasher safe while the jug is made of heat-resistant glass.
