

Dovetail cushion, tobacco

Eleanor Pritchard, 2018

Description

Dovetail cushion, Tobacco face by [Eleanor Pritchard](#).

Hand-woven on traditional 'dobcross' shuttle looms at a small mill in West Wales, Eleanor Pritchard's textiles combine traditional craftsmanship, heritage and a strong sense of place with a distinctly contemporary use of colour and pattern. Pritchard's personal interest in mid-century textile design is a strong factor in designs which nevertheless remain resolutely of the moment.

The Dovetail cushion design takes inspiration from the traditional corner joints used in cabinet-making, the pattern a balanced repeat of interlocking rectangles and squares.

The cushion is in a tobacco colourway with indigo and black accents.

Slate grey wool backing with zip fastening.

A matching Dovetail [cushion](#) and [throw](#) are also available.

Handwoven in 100% wool in the British Isles.
