Mikael Nilsson,

## Description

**Wooden owl** by [Mikael Nilsson](#).

Nilsson's wooden owls are hand-carved from limewood using an axe and knife to create their expressive forms and feathers, then stained white.

Their feet are made of twisted wire to complete the bird-like sculptures.

Born in Linköping, Sweden, in 1972, Mikael studied Handicraft and Culture at Linköpings University. "I try to give each figure a personality, express a feeling, motion, gesture."

Due to the hand-made quality of this item, all owls are unique. Please enquire for further information.
