

Knot bangle

Kei Tominaga, 2018

Description

Knot Bangle by [Kei Tominaga](#).

Inspired by everyday objects and texture's Kei Tominaga's jewellery designs are characterised by a delicate lightness. The knot, symbolic of making a promise or a tangle we try to unravel, adorns this minimalistic bangle.

Made by hand, the solid sterling silver bracelet is plated in 18ct yellow gold and includes the Goldsmith Company London Assay Office Hallmark.

Available in two sizes, S (18.6cm) and M (19.3cm), 3mm wide band.

Please note, gold vermeil refers to plating (more than 2.5micrometers). With proper care and treatment, the gold surface will last for more than two years. Avoid getting the vermeil surface wet. Dry with a soft cloth if the surface gets wet.

Made in England.
