

# Eiermann 1 table

Egon Eiermann, 1953

## Description

**Eiermann 1 dining table** by [Egon Eiermann](#) for [Richard Lampert](#).

A real classic of furniture design, the Eiermann 1 table was designed in 1953. With its pared-down construction, the table achieves a balanced ratio between material and stability.

A highly adaptable design with careful detailing, the Eiermann table 1 is available in numerous finish and size combinations with additional accessories, enabling it to be used in a variety of environments.

The table top comes in the following range of materials, colours, and finishes:

**Melamine:** White coated with oak or ABS edge.

**Linoleum Forbo:** Black, midnight blue, conifer green, salsa red, ash grey, pebble grey with oak edge.

**5 layer plywood:** Solid spruce/fir oiled plywood made with weather resistant glue.

**Solid oak:** Smoked oak with lacquered finish

The table base frame/trestle is available with centrally positioned metal crossbars for sitting up straight whereas the [Eiermann desk](#) - available from the product family below - has offset crossbars allowing sitting at an angle with outstretched legs.

The trestle is available in three options:

**RAL colours:** Black, white, silver, basalt grey, oxide red and colourless.

**Bronze:** Bronze coloured powder coated.

**Chrome:** Chrome plated.

**Note: Please enter RAL colour choice if black, white, silver, basalt grey, oxide red or colourless trestle is required. Extras including the height adjustment rods and rubber caps are included in the online price.**

Please see the 'Product downloads' for additional accessories such as drawers and castors.

If you require further assistance and information about Eiermann table 1, please inquire about this product.
