

Filos throw

Description

Filos throw by **Runa Klock** for [Røros Tweed](#).

Inspired by the tartan of Scottish kilts, the yellow Filos throw is made of Norwegian lambswool. Soft and lightweight, the colours blend from light to dark, creating different effects depending on how the throw is folded.

Røros Tweed uses only Norwegian wool and maintains a wholly Norwegian production process, collaborating with Scandinavian designers.

The fringed throw is perfect to wrap around your shoulders as the nights draw in.

Please note, the throw is hand wash only.
