

Una throw

Anderssen & Voll,

Description

Una throw by [Anderssen & Voll](#) for [Røros Tweed](#).

The Una throw is constructed using a braid weaving technique in which three blue hues are crossed with graded shades. It is then finished with a darker, statement decorative stitch. The name Una has Norse origins, meaning "the one that feels good."

Røros Tweed uses only Norwegian wool and maintains a wholly Norwegian production process, collaborating with Scandinavian designers.

Please note, the throw is hand wash only.
