

Beam Lamp

Tom Chung, 2018

Description

Beam Lamp by [Tom Chung](#) for [Muuto](#).

The versatile Beam table lamp emits light from both ends of the cylinder shape, offering three levels of light intensity which can gradually be altered using a playful dial.

The lamp utilises its rotating base to suit any desire position offering either direct lighting or an ambient glow to any room or space.

Made of anodized aluminium to offer a matte finish, the lamp is available in the following colours: black, aluminium, green and umber.

Supplied with pvc 2.5m cord.

Bulb: Built-in energy-efficient LED bulb

Lumen Maintenance (Lifetime) of L90 B10 35 hours

Clean with soft dry cloth. Always switch off electricity supply before cleaning.

Dimensions:
18.7w x 26.2cmh
