

T13 Chair

Mats Theselius, 2013

Description

T13 chair by [Mats Theselius](#) for [Gemla](#)

The T13 lounge chair challenges traditional bent-wood techniques with a thoroughly modern design. Its innovative construction allows the solid ash frame to remain light yet durable, while offering a high level of comfort. Crafted in high-quality materials the striking chair will age beautifully.

The bold, solid oak frame is complimented with a vegetable tanned tooling leather seat and back, with lacquered steel bracket.

The chair is well suited to both public lounges or private living spaces, with a variety of oil finishes and leathers to choose from, which can be viewed [here](#).
