

# Mags Soft low armrest sofa

Hay Studio,

## Description

**Mags Soft low armrest sofa** by [Hay Studio](#) for [HAY](#).

Mags Soft low armrest sofa is a more relaxed version that contrasts its sister's firm appearance with its visible stitching and supple seats, upholstered with down on top of the foam. This combination of down and foam is what gives the sofa its ultra-laid-back and soft charm. Mags Soft is multi-functional and versatile with its deep seats and low armrests, perfect for lounging, reading, eating, or sleeping.

Prices shown are for a **3-seater Mags soft low armrest sofa** (combination 3), as seen on the main image. Please see 'product downloads' for all available modules and combinations in the series. Mags Soft with high armrest modules are also available [here](#).

Please follow links below for detailed upholstery information:
