

Rio decorative mobile

Description

Rio mobile by [Volta Paris](#).

Formed in 2015 by brothers Otxo and Mario Conti, Volta is a Parisian brand dedicated to the design and production of visually interesting and unique mobiles.

Rio is a tabletop decorative mobile - or stabile - with a gracefully minimalist design. It's precisely balanced arrangement allows for subtle movement, featuring a jet black base and arms, contrasted by bold paddles in bright hues of red, white, yellow green, and blue.

Hand-crafted entirely in metal within Volta's workshop in Spain, the elegant design makes a timeless, fluid piece of art.
