

LEATHER OPTIONS

At Muuto, we work with some of the leading European leather suppliers to ensure that the leather used for our designs is always of the highest possible standard. Our leather options range from the Refine Leather, a modern and sleek full-grain leather with a soft touch, over Easy Leather, a semi-aniline leather with a soft and waxy feel along with a matte look, to our Endure Leather, a pliable and extremely durable semi--aniline leather ideal for contract environments, and the Faux Leather, being particularly suitable for healthcare and education environments as it is resistant to disinfectants.

O197

REFINE LEATHER

Aniline Leather.

Raw material: Grain leather from European raw hides. The leather is dyed through, chrome tanned and produced without the use of PCP and CFC which can be damaging to the environment.
